The NRHSN is an initiative  
of the Australian  
Government Department of  
Health administered by the  
Consortium of Rural  
Workforce Agencies.

## About us

### National Rural Health Student Network

The National Rural Health Student Network (NRHSN) represents the future of rural health in Australia. It has more than 9,000 members who belong to 28 university Rural Health Clubs from all states and territories.

It is Australia's only multi-disciplinary student health network, bringing together people studying medicine, nursing and allied health, encouraging them to pursue rural health careers.

The NRHSN aims to:

- ▶ provide a voice for students who are interested in improving health outcomes for rural and remote Australians
- ▶ promote rural health careers to students and encourage students who are interested in practising in rural health care.

The NRHSN and its Rural Health Clubs offer rural experience weekends; career information sessions and professional development activities; and provide a social base for students at university and when on rural placement.

The student network leaders also advocate on behalf of health students of all disciplines - including opportunities for more rural placements and training support.

### Rural Workforce Agencies

The NRHSN is an initiative of the Australian Government Department of Health, administered by the Consortium of Rural Workforce Agencies (RWAs). The NSW Rural Doctors Network is the RWA managing the NRHSN on behalf of the Consortium.

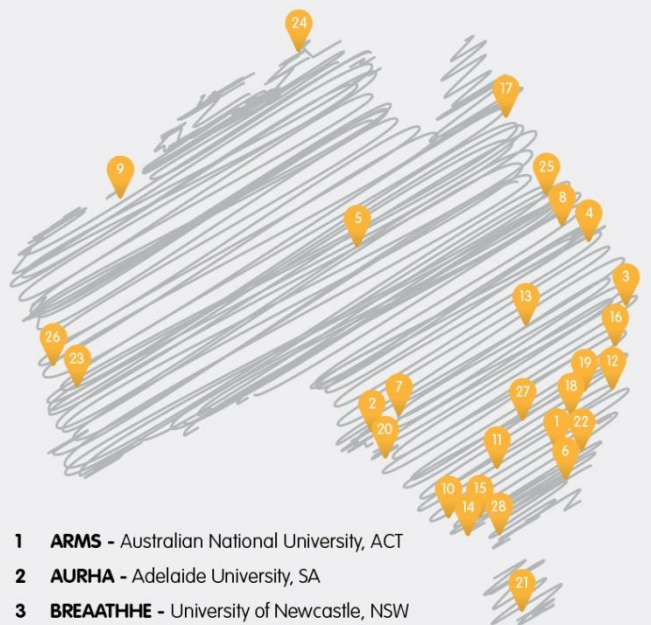

Each Australian State and the Northern Territory is served by a government-designated RWA that works to improve access to high-quality healthcare for people in remote, regional and rural Australia. RWAs do this through a range of programs, services and initiatives that attract, recruit, retain and support GPs, nurses and allied health professionals in rural and remote communities.

## Objective

To ensure that NSW Rural Doctors Network (NSW RDN) in its administration of the National Rural Health Student Network (NRHSN), enables students to travel safely and securely when attending a NRHSN funded event.

To ensure NSW RDN can responsibly manage NRHSN funding for the purposes of the Program.

- ▶ NRHSN Funded Events/Activities
- ▶ Face to Face Council Meetings
- ▶ Additional Activities Funding.

## Travel Authorisation

To request travel authorisation, members must email the appropriate NSW RDN staff member your preferred flight requirements for approval.

The email request must be submitted at least five (5) working days in advance of travel to the event unless another date is provided as part of that events travel organisation requirements.

Notification of approved or unapproved requests/registrations will be communicated by NSW RDN staff. Authorised Persons are staff members of NSW RDN and do not include student NRHSN Executive or Portfolio members.

NSW RDN will provide financial support for travel consistent with the values of NRHSN.

Travel may be booked by NSW RDN staff or it may be the responsibility of the NRHSN member to book. This will be outlined in the communications from NSW RDN.

## Accommodation, Flights and Additional Expenditure

### Accommodation

Where accommodation is approved, NRHSN funding will meet or part fund the costs associated with accommodation as notified by the NSW RDN staff member's communication to the NRHSN member. The NSW RDN staff member will also communicate whose responsibility it is to book the accommodation.

### Travel (flights/bus/train/taxi/tram/petrol)

Where travel is approved, NRHSN funding will meet or part fund the costs associated with travel as notified by the NSW RDN staff member's communication to the NRHSN member. The NSW RDN staff member will also communicate whose responsibility it is to book the accommodation.

### Registration

Where registration is approved, NRHSN funding will meet or part fund the costs associated with registration as notified by the NSW RDN staff member's communication to the NRHSN member. The NSW RDN staff member will also communicate whose responsibility it is to book the accommodation.

### Additional Expenditure

Any expenditure outside of accommodation, travel and registration needs to be pre-approved by an authorised staff member. Unexpected charges that occur without prior approval will not be reimbursed.

All requests for reimbursement must have a valid receipt/tax invoice and be sent to NSW RDN within 2 weeks of travel.

## Cancellation and/or amendments

By accepting the NRHSN funding and providing NSW RDN with travel, accommodation and registration details, or tax invoice in the case of the Rural Health Club (RHC), the member is deemed to have accepted these terms and conditions.

When a RHC and/or an individual member receive NRHSN funding from NSW RDN they are expected to do so as per the details provided in their funding application and approval notification from NSW RDN. If for any reason the student is unable to attend the activity, the funding is to be returned in full to NSW RDN.

Cancellation liability may be incurred as follows:

### Flights

- ▶ If a member changes or cancels a flight for any reason after the flights have been booked, that member is individually responsible for any costs associated.
- ▶ Where possible, NSW RDN will transfer the flight into another member's name, or accept a voucher from the airline that allows transfer of names, however the member is expected to pay for any costs associated. If the airline does not allow names to be transferred, the member will be liable for the entire cost of the flight.

### Accommodation

Where the costs for accommodation have been paid for with NRHSN funding, the member cancelling the accommodation will be liable for any costs that have been incurred by the cancellation.

### Registration Fees

Where the costs have been paid for with NRHSN funding, and are not refundable, then the member cancelling their attendance will be individually liable for the cancellation costs.

- ▶ A phone message detailing change/cancellation details left on a staff mobile phone will be considered contact, if the staff member does not answer the call.
- ▶ Failure to do this will result in the student being responsible for all costs regardless of the reason for cancellation.
- ▶ Students who undertake NRHSN travel are accountable for compliance with this policy.

## **Inappropriate use of funds**

- ▶ If funds are not used in accordance with NSW RDN approval, they will not be reimbursed or may need to be returned.
